

Royalmount Gin From Royalmount Spirits

Developed by two brothers, Royalmount Gin is a creation of pure passion, one of gin distilling and the other of graphic design.

Distilled at their parent's craft distillery in Montreal, the gin uses a delicate blend of juniper berries, citruses and is infused with a perfectly subtle balance of cucumber and rose.

This results in a familiarly delicious and extremely unique Canadian made spirit. Accompanied by their mascot, Alfred the Jackalope, Royalmount is named in homage to Mount-Royal, the mountain in the city of Montreal.

This premium gin is sustainably packaged in a lightweight spirits bottle and uses recycled packaging materials. Royalmount Gin is a fun, whimsical and instagrammable experience for gin lovers who enjoy great quality and taste.
